★ RACE RULES ★

1

Each boat must have at least two people on board. The reason for this is that the dock Five Islands can get too crowded for a lot of boats to tie up. When turnabouts get to Five Islands, they will drop off one person on the Turley's dock (to the right of the gas dock, look for flags) and that person will head over the Five Islands Lobster Company Ice Cream hut to buy the ice cream while the other person sails around in the harbor waiting for the ice cream buyer to return to the dock. The skipper will pick up their crew & their ice cream and race back to the finish line. Participants are responsible for purchasing their own ice cream. FILC is CASH only!

VOLUNTEERS NEEDED!

Please consider joining us on your motor boat as a spectator/safety boat! The more the merrier!

Come for the sailing, stay for the ice cream!
